There is no other paper which gives you as much general, state and Pickens county news as The Pickens Sentinel, not to mention our continued story and other features which no other paper in this section gives its subscribers. We give you this at the small cost of two cents a week. Can you afford to do without your county paper for so small a price? You cannot. You are unfair to yourself and your family if you do not take your county paper when it offers you so much for so little.

### Mr. John Smith Found Dead

Mr. John Smith, who lived at Ferguson's crossing near Pickens, was found dead near his home Wednesday evening, July 21. He died suddenly from apoplexy while working in his field.

Mr. Smith was a farmer and had been working in the field Wednesday. When he failed to return home for supper his family became uneasy about him and went in search of him. He was found dead lying across his hoe. Dr. L. F. Robinson was immediately summoned and after examination he made the following statement: "This is to certify that I was called and saw Mr. John Smith on the night of the 21st of July, 1915, and found that he died from apoplexy, a rupture of blood vessel on brain."

The coroner was called, but finding that death was due to natural causes no inquest was held.

Mr. Smith was a son of the late Nelson Smith and was 56 years old. He was a modest and unassuming man and all who knew him were his friends. He was a good citizen and will be greatly missed in his community. Besides his wife he is survived by several children and the sympathy of the entire community is extended to them in their hour of grief.

Funeral services were conducted at Tabor church by Rev. L. W. Johnson.

A different plan has been laid out for next year, it being hoped that the chautauqua can be brought here when a gala week and county fair are arranged.

## Wanted—South Carolina's Most Beautiful Woman

### This County Asked to Select Candidates For Queen of Harvest Jubilee.

Young Women Are Asked to Send Photos to This Newspaper To Be Judged By Committee.

The committees in charge of the Harvest Jubilee, to be held at Columbia in conjunction with the State Fair, from October 25 to October 30, inclusive, have decided to crown the most beautiful woman in South Carolina "queen" of the Harvest Jubilee. This "queen" will be selected by a referendum vote, and she will represent the whole state.

The young woman selected will be equipped with an elaborate trousseau, befitting her royal beauty and grace, and she will sit in state on a handsomely decorated "float" in the parade, attended by exquisite maids of honor, and chivalric courtesies will pay her homage.

The method of selection will be this: Each young woman possessing beauty of person and grace of mind is requested to send her photograph to her county paper, which will select a committee to decide which is the photograph of the most beautiful woman in its possession. These photographs will be forwarded to the publicity committee of the Harvest Jubilee at Columbia, which in turn will submit them to a committee composed of the deans of the art department of the leading women's colleges of the state. This committee will select the most beautiful young woman from each county and forward the 44 photographs to the publicity committee in Columbia, and then these photographs will be published in the leading papers in the state, along with a blank ballot, with a request that the readers vote on the young woman among the 44 which they think

the most beautiful. These votes will be forwarded to the publicity committee in Columbia, and the announcement of the "queen" will be made on Monday, October 11, 1915.

All photographs must be sent to the county papers not later than August 15, and the picture of the most beautiful young woman selected by each paper will be sent to the publicity committee in Columbia not later than August 20. The committee of art professors will then decide on the 44 photographs, which will appear in print on the week beginning Sunday, September 5, 1915. The voting will then commence and the polls will close at midnight Sept. 30.

This is an opportunity for some young woman not only to be known as the "most beautiful young woman in South Carolina," one who will be honored by the chivalry of the state, but she will become the possessor of several hundred dollars' worth of raiment that will delight the soul of the most artistic and particular. In addition to this her railway fare and expenses while in Columbia will be paid, and she will be the envy of the state.

This paper requests all the young women who desire to participate in this contest to send in their photographs at once, and the most beautiful girl in this territory will be selected by a committee.

The name of the committee's choice will be published in a subsequent issue of this paper.

Among the school districts of this county which have recently voted additional tax levies for school purposes are Cedar Rock district, Rock district and Oolenoy district. This is good evidence that these communities are progressive.

Miss Isadora Williams of near Liberty has been appointed president of the rural school improvement association of Pickens. All local school improvement associations which wish to compete for state prizes this year should communicate with Miss Williams.

Reports from those who attended the children's day exercises at Mt. Tabor church Sunday agree that it was a successful day well spent. A large crowd was present, there was an abundance of good dinner and the program was excellent and well carried out. Much credit is due those who trained the children for their different parts. Addresses were also made by J. J. McSwain of Greenville, R. T. Hallum and Sam. B. Craig of Pickens, and it is needless to say that these addresses were good and enjoyed. Rev. J. E. Foster is pastor of this church and is doing a good work there.

Saturday Sheriff Roark succeeded in capturing in Greenville Henry Logan a negro who killed Bryan Morrison a white man at Rosman, N. C., Friday. The sheriff of Transylvania county telegraphed Mr. Roark a description of the negro and a search was immediately begun. It was found that the negro had stopped at Edens' store Saturday and sold a .44 calibre Colt's pistol. He then hired an automobile to go to Greenville. Sheriff Roark notified the Greenville police force and sheriff, but they being of the average and ordinary kind of officers, were about to let the negro escape, when Sheriff Roark caught the negro getting on train No. 40. The negro had been loafing around Greenville half a day, but Sheriff Roark had been in Greenville less than five minutes before he had him spotted. He was carried to Brevard and lodged in jail.
